Happy New Year!

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." Isaiah 43:18-19

Join us at 9:30 for "An Emmaus Journey"

The Biblical story of the road to Emmaus is an important witness to the church. It teaches us about the sense of community and helps us understand how to walk with one another. In this forum we will use this story to think about what it means to be a congregation that walks with others. We'll use this story as a springboard to talk about the concept of "accompaniment" in the ELCA, which we'll explore the following week.

"Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful."

Colossians 3:15
