Worship On Sunday June 12

Join us as Christine Shander preaches from the Gospel of Luke and introduces "Godly Play" to the Congregation during the Children's Lesson.

Listening Session On Worship Times Sunday June 12, 9 a.m.

Over the years we have had several different times for our two Sunday services. We have tested the waters with some different formats for the second service. The Worship & Music Committee will hold a listening session immediately following the 9 a.m. service. We will be seeking input from the congregation on two items - suggested worship times come fall and thoughts around the format of a second service. Please join us and share your thoughts, and come with an open mind to hear others. Please know that for a different second service format, we will be seeking assistance from the congregation members that would enjoy that type of service.

If you are unable to join us, but have thoughts you would like to share, please email the office at office@ctkdelafield.org and Jill will forward your message on to the Worship & Music Committee for further discussion.

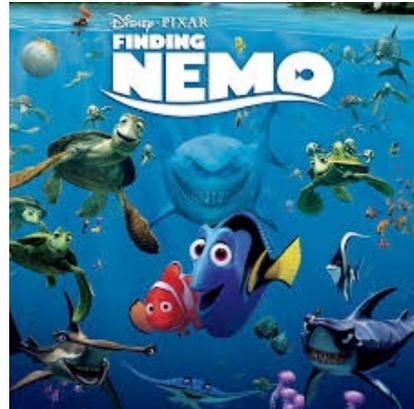

Have you picked up your traveling Paul?

Take Paul with you on adventures this summer and share them with CTK. We'll track your fun as we learn about Paul in worship and online. Email Christine@ctkdelafield.org for more information!

The Importance of Being Earnest

Jack and Algernon are wealthy London bachelors who each live a double life, creating elaborate deceptions in order to have some balance in their life. John falls in love with Algernon's cousin Gwendolen, and, after discovering John's secret, Algernon falls for John's ward Cecily. The two gentlemen and ladies are in for more than they ever anticipated when the formidable Lady Bracknell, Gwendolen's mother, begins digging around to uncover the truth. Full of wit and charm, Oscar Wilde's comedic masterpiece is a "trivial comedy for serious people."

Join your CTK friends at Summer-Stage's performance of "The Importance of Being Earnest" at Lapham Peak on Saturday, June 25, 7:30 p.m.- 10:30. Bring your own chair or rent one. You may also carry in food and drinks or purchase them from their concession stand. Purchase tickets online at www.Summer-Stage.org, at their downtown office in Delafield, or at the venue one hour prior to the event.
