The unfolding of your words gives light; it gives understanding to the simple.

Grateful for Cleaning!

We are grateful that Audrey Schleich stepped in to do light cleaning in July during our search for a new custodian. She's the one who did our vacuuming, cleaning and of stocking supplies in our bathrooms, and hauling out our trash. When next you see Audrey, give her a great big "thank you" for keeping us clean! We appreciate you, Audrey!

First Day of Sunday School - Sunday, September 17, 2017

The Christian Education Team has recovered from VBS and is regrouping to work on faith formation plans for the fall!

Sunday School remains a top priority as we revamp curriculum, engage families more intentionally and continue our grade level learning targets from Luther's Small Catechism.

We'll also be focusing on developing Small Group Ministry, offering Sunday Morning Faith Formation for middle and high school youth and continuing our Adult Forum offerings.

I am inviting you to consider joining one or more of our Faith Formation Teams:

- Small Group Ministry
- Sunday School and Youth Education Ministry
- Adult Education Ministry

We will also be working on retreat ministry for children, youth and adults. Please stop by my office, send an email or call me at the church office. Looking forward to a spirit-filled year as we feast on God's Word and journey in faith together!
