Treasurer's Report Mike Hase

Giving amounts are up, but there were 5 Sundays in the month of September. For the last quarter of the year, we usually receive 1/3 of our total income. We currently have a deficit of \$50,000, but may make some of this up.

Motion to approve the Executive Reports moved by Shari and seconded by Amy. Motion carried.

Council Reports:

Outreach Committee (Barb) –

The Peacemakers raised \$450 from Rally Day sales. The movie, Milwaukee 53206, would like to be shown on February 3rd. What time could it be shown – 10:45 or 11:00 am? Will check with Delafield Presbyterian for times. Barb would like to display a picture of the Sunday School students, but is concerned about confidentiality. It was agreed that the pictures with first names only could be displayed in the upper sanctuary during coffee hour after worship service and then taken down afterwards. Carol also suggested to ask the parents first. Amy said that she could send an email to ask parents if that is okay.

Membership Committee (Jan) -

Working on new neighborhood program. Would like to show a short presentation, but cannot do it during adult forum on October 21st. Will look at a different time. Jan asked if website is up to date. Carol asked that all committees check the website and let Michele know if it needs to be updated.

Property & Grounds (Kirk) –

Elevator malfunctioned. Emergency service was called. Estimate that hydraulics and pump need to be service for \$3400 for repairs. Instead a \$2,00 hose was replaced and it is now working. Andy said that it is 20 years old so we should keep an eye on it. He is Interested in having an elevator maintenance account for the future.

Stewardship (Char) –

The committee is trying to be really creative. There are new laws regarding charitable deductions. There is an upcoming forum on estate planning. The proposed speakers talk to the Stewardship committee first. She asks that it is important for the council members to attend these forums. They are working on creating a video with testimonials by church members. Meredy was asked to speak in video. Barb asked that the adult forums be recorded for those members that may not be able to attend. Char emphasized that they want to give knowledge so that we can be good stewards.

Worship & Music (Meredy) –

Vicky was not aware that council was not getting the committee meeting minutes. She said that we are not properly staffed for a second worship service. We would need to add hours to music director. Meredy attended Worship & Music committee meeting and said they were not ready for a November launch date and were worried that the council was getting ahead of committee on decisions. Staff would be affected by this change. We need to at least wait until January of 2019 or later. We should contact interested families first. The committee is still in the vision state and wants to get input at the adult forum. The committee would like to utilize the monies from the facilities use fees for an A/V maintenance fund. Facilities usage is controlled by the Audit & Budget committee. Carol asked to look at our fees and see if they are up to date with current costs. Meredy asked to get comparable quotes. Andy said that a service would be on a trial basis with zero budget impact. We need to get the minutes from the Worship & Music committee.

Carol proposed a **Motion**- Based on Meredy's report and recommendations from the Worship & Music committee, to delay to January, 2019 or after, the implementation of a small group worship service. Mike moved and Shari seconded. Motion carried.

Carol will go back to Vicky and talk about an adult forum for second worship service.

Motion to accept the reports and approve the actions of the Committees moved by Amy and seconded by Barb. Motion carried.

OLD BUSINESS:

Budget preparation 2019 Audit & Budget

Mike completed a draft of the budget and sent it to Bob for review and will talk. Executive committee will then review draft and show to committee chairs next month. Carol and council will look at last year and make recommendations for what we are projecting for next year. Mike said that the budget is operational. Capital expenditures and repairs are not part of operational expenditures. Will be looking to Kirk for numbers and Andy will help. Shari had concerns about in and out funds and money from Houston trip. The youth committee will bear the expense.

NEW BUSINESS:

Administrative Representative for Vanco

Council

Need to have an administrative representative for Vanco (and texting piece) recommended by Stewardship committee. Meredy will be primary administrator.

Motion – To have a three-year appointment for Primary Vanco Administrator and that to be Meredy Hase. Moved by Andy and seconded by Shari. Motion carried.

Member Survey results – 2017

Donna Finch

Donna, as past chair of Membership Committee, spoke about the 2017 survey. She said that it was a written survey started from scratch by Jeri Bondaduer in April of 2017. It was created after much research. It was shown at a meeting that Sue and Pastor Jordan attended. It was kicked off at Rally Day and gathered results until November, 2017. Jeri collected the data. Some of the participants of the survey were concerned that their results would not be shown. Toni mentioned to Carol White to have an adult forum with results to Carol in August. Donna wants council to reconsider showing results at an Adult Forum. They would like to use Survey Monkey next time and perhaps conduct a survey every couple of years. A suggestion was made to show results in a letter or email instead. Donna would like a forum to give the members an opportunity to speak, and show that we heard them. Some of the changes have already been made. Can we do this in November? Andy suggested that we can recap takeaways too. Also, we must have overiewing goals and objectives for a forum. The information can be disseminated to the committees by Carol. Can this be ready by November for a forum? A suggestion was made to announce that we received the surveys, but please be patient as we will give out results in 2019. Donna said she can announce to church that information will be coming in 2019. Carol will check dates with Pastor for an adult forum date in 2019.

Nominating Committee Update

Andy Justman

Andy will be talking to all position leaders that has a term ending this year.

Building Access and exterior signage

Andy Justman

There is an additional project for building access and exterior signage that is not a part of the parking lot project and will incur an additional cost. (Will come back with bids later.)

Motion - Motion made by Andy to proceed with plan finalization, shop drawing finalization and proposal finalization related to the Building Access and Exterior Signage Project for approval authorization. Mike seconded. Motion carried.

Committee Updates to website

Council

Carol asked that each committee look at the CTK website and give any changes needed to Carol and she will pass those on to Michele. Carol said that they will be moving the copier to Teri's old office. Please be respectful of office staff and their time.

REPORTS TO FOLLOW

CTK President Report October 2018

Due to a family medical situation in CO I was called out of town the majority of the month of September. A special thank you to everyone that covered for me in my absence.

I received a call from Lynn Hansen and he shared with me that both he and Mary would be stepping down from the personnel committee. They have served on the committee for a number of years and feel it is time to make a change. In addition, we are still looking for someone that would be interested and willing to head up fellowship as Bev Waltz has expressed interest in transitioning out of this responsibility. Bev has done an amazing job with fellowship and Monday Mavens and I am sure would be happy to help someone step into this role. Please think of people you may know to serve on both committees.

Pastor's Report

October 2018

We are Followers of Jesus gathered at the table, to worship, grow and serve.

Discipleship Training

This week marks the fifth week of meeting for Discipleship Training. This year we are using a “more traditional” curriculum called *Colaborate*. It is put out by Sparkhouse Digital, which is a part of the ELCA’s publishing house, Augsburg Fortress. Colaborate gets students to work together in an investigation of a central question each week. In other words, the youth work “co” in a “lab” style to be able to “orate” on their faith: Colaborate. It’s not misspelled. It’s a statement about how the curriculum we are using is set up.

Working together, kids explore their faith in order to be able to talk about it.

The first part of this year’s sessions will focus on the New Testament. The second part will examine Lutheran theology. Put together, this year’s focus will help students engage more deeply in scripture while exploring their Lutheran identity. We have fourteen students engaged each week!

October 30 Synod Event on Congregational Mission – at CTK

This fall, Bishop Erickson and Assistant to the Bishop Matthew Short will be leading five regional “Fed For the Journey” dinners. They will engage in conversation about how we are stronger in mission when we are church together and engaged in ministries of love and reconciliation. We will together imagine ways we can strengthen our common witness in this rapidly changing context. We want to hear your stories and your dreams about where God is calling us together!

We encourage at least one pastor and other lay leaders from each congregation to attend. Each evening will begin at 6 p.m. and include dinner, dessert, and lively conversation, concluding by 8 p.m. Choose the date or location most convenient for you from the list below, and help us begin building momentum toward our shared ministry in 2019! Cash Availability

With the Parking Lot expenses mostly settled I would like turn our attention to cash availability. This is the amount of money in our check book available to cover expenses. These expenses may be for operations or for specific projects for which donations have been received. Why is this important? It gives a sense of how much of a cash reserve we have to pay our bills.

Unrestricted Giving

Unrestricted income was up from 2017 and about the same as August. While there were five Sundays in September bank deposits are made on Mondays and October 1 was a Monday meaning that last Sunday deposit for September will show up as October giving. Giving so far this year is ahead of previous years through September. The final 3 months will be one third of our annual income.

General and Administrative Income and Expense

In September the deficit increased from \$33,000 to \$49,000 due primarily to paying the Portico expense for 2 months in September and an increase in energy cost due to extremely humid weather. We will see an uptick in giving during the remaining 3 months of this year which will slow the rate of increase in the deficit. My estimate based on our run rate so far this year is that we will end up with contributions of \$443K and expenses of \$460K for a loss of \$17K

STEWARDSHIP REPORT TO COUNCIL

10/09/2018

THE STEWARDSHIP MEETING WAS HELD ON SEPTEMBER 17. THE FOLLOWING NOTES ARE FROM THAT MEETING:

- Tim Knutson, Regional Gift Planner, ELCA Foundation attended and discussed his services available to assist with planned giving within the church membership. Tim will present a forum on November 18th. His forum goals are to ignite a spark that will entice legacy planning. Tim's primary work is meeting one on one with individuals to assist with planning.
- Also, discussed is a forum scheduled for Sunday, October 21st by Attorney John Movroydis, a Wisconsin Estate Planning attorney. John's goals are to present the legal aspects of planned giving for all walks of life clients.
 - Note CTK members/attorneys were researched as to their field of practice, and it was noted that none of them are practicing in estate planning.
- We discussed a Stewardship Moment for Sunday, 9/30/18 dealing with online giving. Hopefully, our text option from Vanco will be available for introduction at that time.
- We discussed Parking Lot Express "thank you" cards. Looking for photos taken with a drone on Rally Day for the thank you card.
- We discussed videos for the 2019 pledge emphasis. Roland Broberg is willing to do the videoing. Contacts (for video stories) need to be made, and a time and place determined for videoing. Editing may be attained via a student videographer currently attending UWM.
- We discussed articles for the Connections and Advocate. Am working on an article for this week announcing the forums, etc.

OTHER MATTERS

I have been in contact with Vanco, regarding changing the Administrator to Meredy Hase who has agreed to serve in that capacity. Vanco requires that all changes, updates, and/or inquiries be made by an appointed Administrator. Jerri Jones has been in this capacity ever since Vanco services regarding online giving were initiated. Bonnie Voskuil has assumed most of her duties as the financial secretary for CTK donations.

September Youth Report

We will be meeting, Toni, Brian and Shari, on October 16th to discuss further get togethers for the youth.

The youth went to Chicago on September 15th.

Donut Sunday will begin October 21st.

Sincerely,

Shari Showers
Youth Committee Member

Property & Grounds October 9-2018

We changed all the batteries in the fire alarm and security systems.

The elevator went down due to a leak in the hydraulic system. The repair company is recommending repacking the hydraulic mast cylinder as well as replacing the scavenger pump that returns oil to the reservoir for \$3,400 P&G repaired the scavenger pump and have decided to hold off on repairing the cylinder. The amount of oil that weeps from the seal can easily be handled by the scavenger pump.

New handicap doors were installed and paid for by a CTK member. Thanks to Paul Neumiller for selecting the doors and contractor. P&G followed up with minor adjustments once they were operational.

We are monitoring the water system. It has been recommended by a local plumber to replace the pump and possibly eliminating the storage tank. We got a second opinion that said we could wait but could have an outage within a year or two.

We blew out the water line to the sign area in preparation for winter.

Kirk Carlson – Property and Grounds

MEMBERSHIP COMMITTEE MEETING MINUTES

OCTOBER 2, 2018 AT CHURCH

CHAIRPERSON: Jan Guetzke

ATTENDING WERE: Donna Finch, Toni Schnorr, Bev Waltz, Pam Behrend, Kirk Carlson, Bill Myers, John Guetzke

EXCUSED: Jeri Bonadurer

Jan opened with prayer

John passed out a list of the Membership Committee's responsibilities, which were reviewed.

NEW NEIGHBOR LEADERS PROGRAM

Bev explained her computer program which would tie all the leaders info together and all the leaders would be linked together.

The kick off program for all the neighborhood leaders will be October 21st after church. It will consist of an educational display of Bev's computer program and also instruction on how to proceed with their assignments.

NEW MEMBER PACKETS

Toni presented the letter which will be included in the new member packet. It was reviewed by the members and a few changes were made. Toni will have Michelle print it up.

It was also decided the packet should contain: a magnet with the church's information, a card listing current events, and a pamphlet about All Gods Children.

The church's website should be checked to make sure it is up to date. Jan will bring this up at the council meeting. If we are going to advertise the website it should be up to date.

WELCOME BEFORE SERVICE

After a discussion it was decided to ask the assistant minister to do the welcome. We would have someone at the welcome center to answer questions, possibly the person serving coffee that morning.

PASTOR'S CARD

The committee was told about the card pastor uses to identify where visitors are sitting so pastor can give it to any of our committee members and they can welcome visitors.

MEMBERSHIP DIRECTORY

Jill has completed her part of the directory, but it has to be proofed. The committee decided the books could be put on a table in back of church and the members could go through them and make their corrections, if needed.

COFFEE HOUR

Pam created a sign up genius for coffee hour it will be on line before the end of the week. An announcement will be in Sunday's bulletin stated it is on line.

ALL GODS CHILDREN ENTRANCE MONITOR

A monitor noting all of the churches activities will be placed in the hallway by all Gods Children's entrance and a literature table placed under the monitor to be maintained by Bill.

SURVEY

Council reaction to the survey was not favorable. The council decided not to deal with it at this time.

The committee was upset. Jeri put a lot of time and effort into the project.

One of the reasons the council listed was: They were not told about it and that the survey should have had council approval. Donna has notes stating the council was advised and stated their approval.

The survey was started at the end of 2017 and finished the early part of 2018, it is not outdated. It was the committee's suggestion to have the council revisit the results of the survey and present them to the congregation in an adult forum. The committee's responsible for the contents and that could make changes concerning the negative comments should be present to address the comments. Donna will write a letter describing how the committee feels about the council decision and include some pertinent facts about the survey and why it was done.

Respectfully submitted,
Jan Guetzke

Online Meeting

Sunday School:

We are off to a great start. There are 20 children registered and another 5 that have attended, but haven't signed up yet. The children seem to be enjoying themselves. So far, teachers have shared the story using the Bibles, word puzzles, crafts and skits. The Apostle's Creed has been the faith milestone assignment this month.

Barb took pictures of all students and put together a directory. This is a great tool for the teachers to use.

Pastor Jordan and Amy held teacher training in September. PJ talked about the Lutheran basics for teachers and Amy reviewed the online curriculum. Elizabeth followed up and created a video training on the curriculum. The video was sent out to all teachers as an additional resource.

The teaching schedule is complete through the end of the year. 12 people have offered to teach. A sign-up genius was sent out to all families to help during class time. Amy will send this out again, since we only had 3 families sign up to help.

Mark will be helping with the Christmas program. He has a program in mind. We will be looking at it in the next couple of weeks.

Other:

Bibles were given out to 13 Sunday school students and 7 Discipleship students on September 23rd. This included 3-year olds, 3rd graders, anyone that missed getting one and first-year Discipleship students.

Pastor Jordan is offering First Communion classes in October.
